

CUBA

2016

Pushing forward in 2016!!!

The Church in Cuba is Amplifying Mission!

Thank you for helping make 2015 an incredible year for ministry of The Word. ***In recent months there has been an increased emphasis on prayer in Cuba***, fueling the fires of evangelism resulting in many people turning to the Lord. There's a record number of people preparing for ministry, and new congregations being planted. Good progress was made on the construction of the 1st Church to receive a permit to be built in Cuba since 1959. ***God willing the Church/Ministry Center will be dedicated in October of this year.*** In addition, 12 additional house church facilities received significant improvements and some were able to relocate.

The Church is pushing forward in 2016, Amplifying Mission. As a result of the Area XI JIBACAM Missions Conference held in **El Salvador** last September, Cuba plans to have their 1st Missions Conference July 15-17, 2016. National Superintendent, Nehemias Cárdenas said in a November meeting with pastors: *I never thought too much about missions. I always saw our needs, and thought why go somewhere else? In the XI JIBACAM Missions Conference, I was converted to missions!*

Amplifying Mission Results in Frequent Baptisms

The photo below was taken on Sunday morning, December 13. The spirit of worship was alive, real, and powerful with over 100 believers gathered at a beach in an area known as: ***Bay of Pigs***. Twenty people were baptized in the beautiful Caribbean Sea. The candidates for baptism were from six Wesleyan congregations of the West District led by Pastor Yunio Gonzalez.

Amplifying Mission Always Leads to New Challenges

There are huge challenges as the Church pushes forward. For example: The growing congregation in Havana was closed by authorities due to having too many people in too small a place, the pastor's home. They must find a new location.

Your Help is Appreciated as We Push Forward in 2016!

Pray as the Church in Cuba charts the course for the coming year and continues to move forward for HIS glory. Pray for a fresh outpouring of the Holy Spirit in 2016 as pastors and people push forward through preaching, teaching, discipling and living The Word. Acts 2:40-47 ***¡GRACIAS!***

Cuba, Now's The Time!!!

PRAY, GIVE, GO!

Help Us Push Forward in 2016
