A Mission Field of Latin America!

John Croft, Int'l Director of the Jesus Film Team, traveled to Equatorial Guinea along with Rick West to launch the JFT in May. EG is the only Spanish speaking country in Africa. A man who suffered for years with abdominal pain was healed and came to the Lord after the JFT prayed with him. He's now a

regular attender of the local church. The JFT: *"Our country is small, we will cover the whole nation, then go to neighboring countries with the JFT!"*

The National Supt, Rev. Damian Asumu expresses his deep appreciation for the partnership with Global Partners by way of the JFT ministry.

PRAY for the Team of three men, Alberto, Tomas & Alberto, as they use this tool for evangelism and planting churches. There is much spiritual warfare in the area, but they said with a smile on their faces; *"greater is He that is in us than he that is in the world!"*
