## Pastor Claudio Anauati, Mariela, Belén y Lucía

**Testimony:** *We came to know the Lord in our youth in the mid 80's, and were married in 1989. We had a deep desire to serve the Lord in ministry. Following pastoral training, we served as leaders in our church in Argentina. Due to a challenging health situation of Mariela, we migrated to Spain in 2004. In November 2006, we began planting the Maranata Wesleyan Church in the city of Alicante, part of "The White Coast" that meets the Mediterranean Sea. Today, Maranata is a church of about 100 people with a focus on evangelism and a heart for the nations. In addition to Spaniards, there are 12 nations represented in the congregation. Evangelism*

*takes place through preaching of the liberating, transforming power of Jesus Christ and discipleship. The youth fulfill an important role in the worship ministry of the church. They often evangelize in the parks, using mime, music and camps. The church is actively sharing the Gospel in prisons, hospitals and with the elderly. In 2009, due the severe economic recession, the church formed an "Association." Food is distributed with donations from the congregation and the Municipal government to street people. The ministry has grown to others who are unemployed. The Association operates a second hand store as well. -Pastor Claudio*

### Vision & Goals:

- \* Extend the Kingdom of God by way of a promise given to the church based in Luke 4:18-20 ...proclaim...
  - \* Continue our commitment to discipleship, to prepare and train leaders, then send them out to serve
  - \* We are in the first stage of consolidating y forming pastors/leaders by way of the Facultad Teológica Wesleyana-Spain
  - \* Establish the Wesleyan Church through church multiplication in Spain, (population 47 million), Europe and beyond
- PRAY that His vision will be carried out through His Church with His wisdom, guidance through the power of the Holy Spirit**
