

# The Wesleyan Church, Cuba

June 2016, Report by: Rick West, Global Partners

In 2010, The Wesleyan Church began ministry in Cuba, partnering with an existing group of churches. The group had applied for a building permit, but it took nearly 10 years for the approval. In March 2013 construction began on a Church/Ministry Center in the town of Camajuaní, Cuba. This is the first new church building in Cuba since 1959! **Dedication of the building is set for October 21-22, 2016, PTL! Your prayers and donations are deeply appreciated!**

Please direct gifts to:
